Hi Greg,  
Just a heads up I have a Suffolk Sup case (CW v. [REDACTED] - ADA Craig Ianini) starting on Monday as well, however I am hoping they can get me on Tuesday morning.  
Attached is a copy of my CV. I don't have Annie's on my computer but I could fax it to you, what is your fax #?  
Thanks,  
Kate

Under the category of late notice, we sent out summonses earlier today for this trial scheduled to start on monday in Salem Superior Court. Drug cert [REDACTED] Annie - we were scheduled for [REDACTED] on same date and place so i'm assuming you're ok. Kate -- i'm keeping my fingers crossed.

also, could you both please email your CVs when you have a chance (Kate - i know Annie is on vacation - do you have access to her CV)?
